

Marketplace Ambassador Ministry Partnership

The Leaders Prayer Breakfast's mission is *To encourage and equip marketplace ministers to glorify God in their business and effectively evangelize the lost.* The mission of CBMC (*Christian Business Mens Connection*) is to present Jesus Christ as Savior and Lord to business professionals to help develop them to carry out the Great Commission.

BRINGING SIGHT TO THE BLIND

Understanding the times we live in, we recognize the importance to answer God's call into the marketplace and our communities to share the Gospel, encourage fellow believers, and live as salt and light in a culture that has largely lost its way. With nearly 1000 in attendance annually, we feel God calling us to do our absolute best to help everyone attending move one step closer in their relationship with Jesus.

Our Goal and Vision

Each year we invite 100 leaders to become Marketplace Ambassador Table Hosts. These leaders spend time engaging with at least 7 lost or unconvinced people from their own circle of influence throughout the year helping to move them at least one step closer to a personal relationship with Jesus.

One Step Closer To Jesus

Your Opportunity

To partner with us as a Marketplace Ambassador and commit to engaging with those in your traffic pattern who need to hear the Gospel message! More and more often, those we work, live, recreate with do not go to church and have no plans to. As an Ambassador of Christ, you have been sent INTO the marketplace to live out the fruits of the Holy Spirit in front of those you see and spend time with every day.

Being a Marketplace Ambassador is a commitment to live life intentionally focused on those around you for the sake of the Gospel. You can start by spending time throughout the year building relational capital through Christ Like friendships with those in your sphere of influence. Pray for and even with them regularly. Then, invite them personally to join you for breakfast!

1. Praying regularly that God would bring you 7 or more people who don't know Jesus to begin to engage with this year.
2. Start by spending time building relational capital through Christ Like friendships with those in your sphere of influence.
3. Invite them personally to join you for breakfast when the time is right!
4. Continue to follow up with them as you deepen your relationship and spiritual discussions.

Over the past 45 years, thousands of people have accepted Christ or recommitted their lives to Jesus after connecting their story with the speaker's story, your story, and ultimately God's story. The Leaders Prayer Breakfast can play an important part in YOUR ministry where you can invite your unconvinced friends to share a meal, listen to a great speaker, and hear the gospel message!

Engage In Your Own Ministry and Support Others!

By becoming a Marketplace Ambassador Table Host you will not only partner with us financially, but more importantly you participate in the Great Commission (Mt28:19). Your financial partnership not only helps put on the event but any event surplus fuels the marketplace ministry of CBMC all over the state of MN and WI. Thank you so much for your support as we labor together on behalf of the Gospel in Central MN!

Become a Marketplace Ambassador Table Host.

Cost: \$ 500.00

- Includes 8 tickets for both morning and evening events.
- Reminders, equipping, encouragement, shared focus, and fellowship around the ultimate goal of sharing the Gospel with the lost.
